Sebastopol Solar Farm
Complaint Documentation Register

ID	Summary	Description	Date	Corrective Action Taken	Date of Action	Status
1	Dust	A resident called council to complain about the dust. Council rep witnessed the dust and noted that it was no more of an issue than that being thrown up by works on neigbouring properties	5/03/2021	Beon informed council that we have five water supression trucks working onsite to keep dust down and these will continue to be used. In addition in high wind periods, Beon will minimise site works.	Ongoing.	Closed.
